

DONNELL

3821-PN

Two different types of glass make this pendant feel special and sophisticated. A detailed Aged Brass or Polished Nickel band at the center separates the clear glass above from the opal glossy glass beneath for a visually interesting design that not only draws the eye when unlit it beautifully pairs a brighter light with a soft glow when lit. This pretty pendant feels right at home styled over the kitchen island.

FINISHES

AGED BRASS (AGB)
POLISHED NICKEL (PN)
